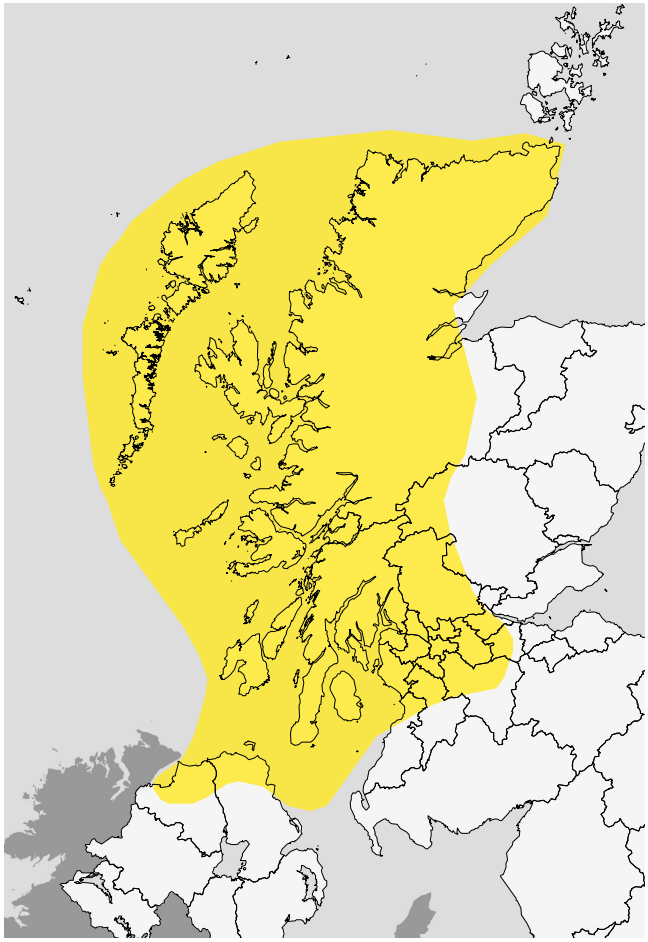
Yellow warning
Wind

Between
09:00 Mon 24 Feb 2020 and
21:00 Mon 24 Feb 2020



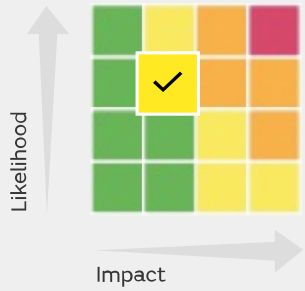
A spell of windy weather is expected Monday, bringing the risk of some disruption to transport and travel.

What to expect

- Some delays to road, rail, air and ferry transport are likely
- Probably some bus and train services affected, with some journeys taking longer
- Delays for high-sided vehicles on exposed routes and bridges likely
- Some short term loss of power and other services is possible
- It's likely that some coastal routes, sea fronts and coastal communities affected by spray and/or large waves

Further details

A spell of very strong westerly winds is likely to push east from the Atlantic during early Monday. Many areas are likely to see gusts of 50-60 mph, with some more exposed parts of western Scotland seeing gusts to 70 mph. A spell of strong northerly winds may develop across the north of Highland late in the day, bringing gusts of 50-60 mph here, before winds generally ease from the west.



Medium likelihood of low impacts
